About the Programme

IT Industry and Higher Educational Institutes (HEIs) in India are at a critical juncture to meet the existing global economic challenges with limited opportunities for students' employability. In response to this important cause GVP College of Engineering (A) in collaboration with AP TPO Consortium is conducting the TPO's Capacity Development programme which focuses on significant and burgeoning themes useful to the TPO community for developing their knowledge and understanding on

- ▶ The role of Industry oriented competitions and changing patterns in hiring freshers
- ▶ The need for continuous assessments and training programmes in preparing students to face the recruitment processes
- ▶ The significance of internships in making students, industry ready

With a view to have varied models for executing a similar act, the Consortium wishes to hear from three to four speakers on each theme followed by the panel discussion.

We are confident that these deliberations are sure to help meeting learners' aspirations, thereby building sustainable Institutions. So, the Consortium wishes to invite the senior influential leaders from IT Industry, Training & Assessment organizations and facilitators of Internship programs to engineering students and so on.

This program is the first of its kind in the state of Andhra Pradesh and the target group is 130 + TPOs from various Engineering Institutions

Highlights of the events in the two- day programme:

Day-1 : Presentations and Discussions on various topics related to
(14.12.19) changing patterns of Fresher's Recruitment Processes.

Venue : Auditorium, GVP College of Engineering (A), Madhurawada,
Visakhapatnam

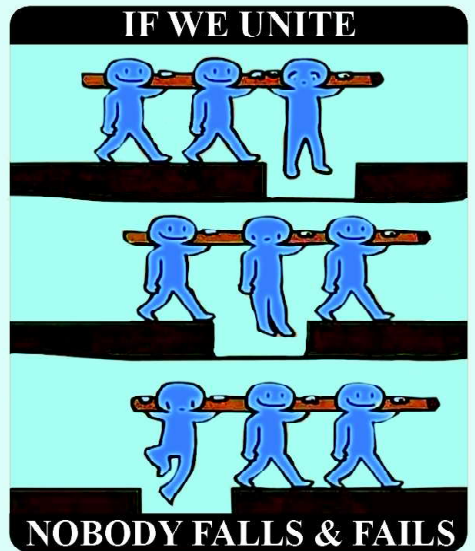

Day-2 : Networking among TPOs and sharing the best practices
(15.12.19)

Venue : SUN Ray Village Resort, NH-5 at Bhogapuram, Visakhapatnam.
