

AP TPOs CONSORTIUM

**Recruitment Readiness
Race (RRR) – 2020**

In collaboration with

Recruitment Readiness Race (RRR) – 2020

With an objective to give practice and familiarize the students on the test patterns of recruiters among budding engineers, AP TPOs Consortium is planning to conduct **Recruitment Readiness Race (RRR) – 2020 to its Member Colleges, with the support of Conduira Online.**

The Consortium would like to thank Management and Technical team of Conduira Online for accepting to extend technical support for the Recruitment Readiness Race (RRR)-2020.

The targeted stratum of students is pre-final year B.Tech, M.Tech and MCA students studying in the Engineering Colleges of state of Andhra Pradesh.

AP TPOs consortium core committee members will be in touch with all TPOs of all engineering colleges in their region to promote the event for ensuring maximum registrations from all the districts of AP. The registration process will start on **11th June** and Ends on **15th June 2020**. There is no restriction on number of registrations per college.

Any student with a zeal to participate can register. Registration is free of cost. However, the contest is limited to AP-TPOs Consortium Member colleges, only. The registration dash board will be shared to TPOs for their reference. The final registration list will be sent to all by **17th June 2020**.

Process of the Competition and Important Dates and Timing:

1. Round 1 – Consists of Aptitude, English Language, Programming Concepts and a Coding Exercise (Moderate level).
2. Round 2 – Consists of Aptitude, English Language, Programming Concepts and a Coding Exercise (High level) – Top 10 to 15% of students in Round 1 along with Top 3 students from each participating college would be eligible for Round 2.
3. Round 3 – Online Mock Interviews with Conduira Online and Industry Experts – Top 100 students from Round 2 would be eligible for Round 3.

From the first-round top 10% out of the students participated and top 3 students from each college will be promoted to the 2nd round. From the second-round top 100 students will be promoted to third round and In the third round – Online Mock Interviews with Conduira Online and Industry Experts will be conducted to select top 3. Each round the selected candidates list will be circulated to the TPOS. They may communicate the same to all the participants in their respective colleges. The following are the timelines for each round

Round	Date
Round 1	20 June (Saturday)
Round 2	24 June (Wednesday)
Round 3	27-28 June (Saturday-Sunday)

Also, For all the registered students Conduira will be giving free access to Conduira Online's Employability Prep Basic Plan. This would allow the participants to take up tasks on a regular basis between the registration and the actual test. These tasks would focus on the same areas that are being tested in Rounds 1, 2 and 3 of the Recruitment Readiness Race.

Take away:

- State First best participant: Rs.25,000/- in cash.
- State Second best participant: Rs.15,000 /- in cash.
- State Third best participant: Rs.10,000/- in cash.
- Internship opportunities may be provided to top 10 students.
- Participation certificate will be given to all the students who appear for Round 3.

TPOs are requested to give necessary instructions to the students to write the test in ethical way. The results shall be shared with the TPOs on the next day of completion of each round (by the end of the day) and they are expected to share the same to all participants.

Active participation of TPOs is requested to promote this competition.
